

## TEMPLATE 6: PHOTO STORY FORMAT

A great way of presenting back the information is through a photo story.

You can look at examples of photo and video stories by clicking the URL below:

» [www.srtoolkit.org.nz/resources/case-studies](http://www.srtoolkit.org.nz/resources/case-studies)

Here's a possible set of slide topics:

### Opening slides

- Capture the essence of the value in the opening slide
- Use a great image
- Include the title (ie the focus of the photo story)

### Photo story

- About this photo story
- When the information was collected
- Who was involved in the process
- Using this photo story

### Acknowledgements

- Thank the people who have been involved in making this photo story happen

### The person, event, club, facility

- Brief description of the focus of the photo story
- Could include information about: location, role, profile

### Overview of key themes

#### Theme one

- Brief description
- Photo

#### Additional photos and words to describe theme one

#### Theme two

- Brief description
- Photo

#### Additional photos and words to describe theme two

#### Theme three

- Brief description
- Photo

**Additional photos and words to describe theme three**

**Add as many themes as required**

**Closing slide**

- photo and words that 'sum up' the value of the person, event, club or facility
